The talk was well appreciated by the audience.

Business meeting was conducted at 5PM.

The minutes of the last meeting held at TDMC, Alappuzha was passed.

The following matters were discussed and decisions were taken.

1. The next Chapter meeting is to be held on online platform and the dates will be finalised later.
2. The topic for slide seminar was decided as “**Bone and Joints**” and the moderator will be **Dr S Sankar**, Professor & HOD Pathology, GMC Kottayam.
3. Conduct of Professor Ramachandran Memorial Gold Medal examination for 2018 MBBS admission batch was sought. Dr KP Aravindan told setting the question paper will be challenging. Dr Feroze M pointed out to use the LRC facility in various colleges for the

conduct of online exam. Dr Ajith said the duration should be set in such a way that the participants won't get enough time when they google it. Dr Rajan suggested that help of a software team will be sought for the conduct of online exam. A final decision regarding the exam is to be made later.

4. Dr Rajan G, President, IAPM Kerala Chapter, proposed starting of an offline orientation workshop for fresher PGs. The plan is to conduct every year, 4 – 5 months after PG admission. Each college should take the turn in conductance of the programme and a module needs to be prepared. The idea of an introductory workshop was welcomed by the house.

5. Dr Rajan G, President, IAPM Kerala Chapter, pointed out that last directory was prepared more than 10 years back and hence suggested the need for an updated member's directory containing basic information like address, email id, mobile number and a recent photograph.

6. A plan to start a YouTube channel was put forward. Dr KP Aravindan suggested that it will be an excellent idea and also a source of revenue provided we can ensure the content quality. The copyright will be with IAPM Kerala chapter.

7. Online slide seminars will be conducted by faculties from various colleges with a maximum duration of 1 hour, once in 3 months. Dr K P Aravindan suggested the need for digital scanners for digitalising the microscopic slides.

Following the general body meeting, the free paper session commenced at 5:30 PM, and the winner of best paper was **Dr. Chothisha.P**, AIMS Kochi (Assessment of sensitivity and specificity of two mutant specific EGFR antibodies in detecting the EGFR mutation in lung adenocarcinoma).

The prize for the best poster was won by **Dr Malavika Satheesh**, AIMS Kochi (Something blue, something borrowed: A challenging case series).

Congratulations to all prize winners!

The meeting adjourned at 7:30 pm after the Valedictory function. The Chapter President thanked the organizers and all the members.
